Privacy Policy

SI client exchanges data with the server in XML format. SI client does not download and send any personal information (including IP addresses, e-mail addresses, etc) from your computer to http://software.informer.com/ or anywhere else. It is by no means a spyware or adware. It does not change your settings.

The information collected by SI client includes:

- the name and the version number of the operating system running on the PC;
- a list of programs installed on the user´s PC together with their version numbers and developers´ names;
- program icons;
- lists of file extensions associated with programs installed on the user´s PC. These lists are to be used in our upcoming project named "Extension Informer".

The collected data is used to draw up the statistics (the number of programs on the site, program information, the number of registered users, the number of comments and questions on the site, program rating).
Data other than the abovementioned is not collected.

Terms

Software Informer provides its service to you subject to the following Terms of Use ("Terms"), which may be updated by us from time to time without notice to you. By visiting our website or using our service you automatically agree to be bound by the Terms, though you are not asked to click on "I agree" or follow any similar online consent mechanism.

Changes to software.informer.com and terms of use

We reserve the right to modify or terminate the SI service or to modify these Terms from time to time for any reason without notice or any liability to you or any third party. You are responsible for regularly reviewing these Terms to check for possible changes.

Appropriate conduct and content.

You may not use the SI service for any illegal purpose. You are solely responsible for your conduct and any data, text, information, photos, profiles, links, comments or any other content ("Materials") that you add, post, and display on http://software.informer.com/. You grant us a non-exclusive non-revocable license to use the Materials for the sake of the SI service. Software.informer.com merely serves as a repository of information and thus user-posted Materials do not represent advice, views, beliefs or opinions of SI team. Software.informer.com reserves the right to modify your Materials.
