License terms for the use of
FAG Smart Utility light software
and related modules

These license terms constitute a contract between you and FAG INDUSTRIAL SERVICES GMBH .
Please read the license terms through carefully. They apply to the above-mentioned software and the related modules and, if applicable, to the media on which you received these. These terms also apply to all updates or bug fixes as well as to all user manuals, programming instructions and other documentation, supplements and support services offered by FAG INDUSTRIAL SERVICES GMBH. If any other terms are included with the last-mentioned products, they shall be applicable.

1. License Terms
BY AGREEING TO THESE LICENSE TERMS, YOU ACKNOWLEDGE THEIR VALIDITY FULLY AND WITHOUT RESERVATION. IF YOU DO NOT AGREE TO THE TERMS, YOU ARE NOT AUTHORIZED TO USE THE SOFTWARE.

IF YOU AGREE TO THESE TERMS ON BEHALF OF A COMPANY OR A LEGAL ENTITY, YOU CONFIRM THAT YOU ARE AUTHORIZED TO BIND THE LEGAL ENTITY TO THESE TERMS.

AFTER AGREEING TO THESE LICENSE TERMS, FAG INDUSTRIAL SERVICES GMBH GIVES YOU, UNLESS OTHERWISE AGREED, A NON-EXCLUSIVE, NON-TRANSFERABLE LICENSE FOR THE USE OF THE SOFTWARE IN COMPLIANCE WITH THE CONTRACT AND IN CONNECTION WITH THE ARTICLE OF SALE INTENDED FOR THIS PURPOSE.

2. Scope of the license
The software is being licensed for free and not sold. With this contract you receive a free, non exclusive, License to install the Software and use it for to control and configure FAG SmartCheck. You are thereby required to adhere to all technical limitations of the software which allow you only specific applications.

You are especially not authorized:
- to use the software for other purposes then to control and configure FAG SmartCheck;
- to circumvent technical limitations of the software;
- to reverse engineer the software, to decompile or to disassemble it, except if (and only insofar as) applicable law expressly allows this without regard to these limitations;
- to create a larger number of copies of the software than stipulated in this contract or which is allowed by applicable law without regard to this limitation;
- to publish the software so that others can copy it;
- to use the software in a way which constitutes a breach of the law;
- to rent, lease or loan the software;
- to separate the components of the software from one another and to install them on differing devices insofar as the application does not require this or Sec. 10 of this contract allows this;
- to change or remove company names, trademarks, brand names, copyright notices or other notices regarding legal reservations contained in the software.

3. Payment and Delivery
This Software will be licensed for free and will be available for download or will be delivered on a Data Storage Device.

4. Backup copy
You are authorized to create a reasonable number of backup copies of the licensed software solely for data-backup and archival purposes, provided that during copying all existing labeling, licensing data, brand names and copyright notices remain complete and unchanged and that unauthorized access to the licensed software by third parties is prevented.

5. Breaches of duty
FAG INDUSTRIAL SERVICES GMBH shall not provide any Warranty for this Software. Statutory Warranty due to willful misconduct or malice shall remain. FAG INDUSTRIAL SERVICES GMBH is not liable for damages in connection with this software, except cases of intent or gross negligence.

6. Brands and logos
You acknowledge to FAG INDUSTRIAL SERVICES GMBH and agree with FAG INDUSTRIAL SERVICES GMBH that all FAG INDUSTRIAL SERVICES GMBH brands as well as all brands relative to FAG INDUSTRIAL SERVICES GMBH and/or other companies of the Schaeffler Group, service marks, logos and other brand names ("Brands of Schaeffler") are the property of a company of the Schaeffler Group. Any use whatsoever of the brands of Schaeffler must accrue to the advantage of and be in the interests of the enterprises of the Schaeffler Group and requires our previous approval.

7. Documentation
The Documentation consists of the Booklet, which is delivered in data form with the Software and also can be downloaded in a printable form under www.???.de.

8. Open Source
The Software includes Open-Source-Components, which are listet within the Documenation with the current license conditions for each component. You can ask for the sourcecodes of each Open-Source-Component at xxx@xxx.de anytime.

9. Miscellaneous
The place of fulfillment for deliveries is the place from which we deliver.

The place of jurisdiction is Nürnberg. We can, however, also litigate at your business location.

The contractual relationship is governed by the laws of the Federal Republic of Germany, with the exception of the conflict of laws provision. The application of the uniform UN sale of goods law (CISG) is expressly excluded.

Complete or partial omission or tardy assertion of rights arising from this delivery contract shall not constitute a waiver of this or any other right.

Should any provision be invalid or become invalid, the validity of the remaining provisions shall not be affected thereby.
