# QUOTES

**Frank Biela:** "In the Hamburg 24 Hours, compared to real motorsports, a lot is not 1/24 but 1/1. You don't get a lot of sleep, have to be fully concentrated and can't afford to make any mistakes. I'm hoping for my sixth consecutive win but for that to happen everything's got to fit."

**Miguel Molina:** "I'm absolutely thrilled to be part of this event. I've wanted to participate for years. It's great that it finally worked out. Slot cars have been one of my hobbies for a long time and this will be a special challenge."
