The city and Formula E

Formula E is visiting Paris for the fourth time since 2016. The circuit in the French capital is routed around the Dôme des Invalides and has 14 turns. The Formula E racing series recently extended its agreement with Paris by another three years, until 2022.

Local mobility

Paris is Europe's most densely populated city. Its bike and car rentals are regarded as exemplary in many places. At the moment, the city is looking for a concept to succeed the Autolib' e-car sharing project (4,000 cars, 6,200 charging columns) that was discontinued in 2018.
