### The city and Formula E

Sanya is located on the southern tip of the tropical island of Hainan. The seaport is one of China's most popular tourist destinations and most important naval bases. Formula E is making its debut there. Twice before, in 2014 and 2015, it raced in the capital city of Beijing.

### Local mobility

Sanya is a tourist hot spot and transportation hub of the "Hawaii of the Far East." Automobiles are the most important means of transportation. Thanks to an increasing number of electric cars Sanya has evolved into the city with the cleanest air in China.
