The Supplier shall implement such modifications within a reasonable period of time. Mutually satisfactory agreements shall be concluded concerning the consequences of such modifications, in particular with regard to delivery dates, extra and reduced costs. We will determine such consequences within our reasonable discretion if agreement regarding the matters outlined in the previous sentence cannot be reached within a reasonable period of time.

The Supplier hereby undertakes to make available to us all information necessary for compliance with such provisions in each case. We shall be entitled to terminate any contract with immediate effect in relation to the Supplier insofar as any changes in applicable national or international export control laws or regulations or our internal rules based on such render impossible, or appear to make impossible, any acceptance of the Contractual Services or the fulfilment of obligations under the contract for the foreseeable future.

1. We will inspect incoming goods only with respect to externally apparent defects and externally apparent deviations in identity or volume. We will give notice of such defects without undue delay. With respect to the foregoing, the Supplier hereby waives the right to assert that the defects have been asserted too late.

2. If the delivered goods are defective, we will be entitled to all rights and remedies under common law and under applicable laws in Singapore unless the following conditions provide otherwise or unless a fuller remedy applies under such applicable laws of the country of origin of the goods. Supplementary performance is also subject to the periods stated above. All claims relating to defects become time barred at the earliest two months after all claims of the final customer have been satisfied, but no later than 5 years after delivery to us. [

5. In case of any claims by third parties in case of defects as to title, the Supplier shall indemnify us unless the Supplier is not responsible for such defect as to title. The Supplier shall indemnify us in case of any claim by a third party based on product liability if and to the extent that any damage is caused by a defect in the goods delivered by the Supplier. The right of indemnity shall apply insofar as the Supplier itself would be directly liable. In case of strict liability the duty of indemnity shall apply only if the Supplier is at fault.
